07/911,647 filed 07/10/1992 now abandoned.

Applicant understands the Examiner can access papers from the prosecution of the cited cases electronically via PALM. However, if the Examiner has difficulty obtaining papers from that source he or she are invited to call the undersigned who will be happy to supply them.

Applicant notes than an opposition has been filed against European application number EP 0 792 458 which is subject to the same assignment as the instant application. EP 0 792 458 is an application directed to related subject matter and corresponding to U.S. Application number 08/419,008 filed 04/07/1995 (made of record on the attached PTO/SB/08A form as cite number 16). References D1, D4-D7, D9, and D12-D15 cited in the opposition are

being made of record and are identified on the attached PTO/SB/08B form as cite numbers 1, 4-7, 9, and 12-15, respectively. References D2, D3, D8, D10, and D11 were previously made of record. All papers in the opposition can be viewed online at the European Patent Office at [ofi/epoline.org/view/getdossier](http://ofi/epoline.org/view/getdossier) or can be provided on request. The opposition is still in progress.

As provided for by 37 CFR §1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

This Information Disclosure Statement is filed with a Request for Continued Examination, therefore Applicant believes that no fee is required for submission of this statement. However, if a fee is required, the Commissioner is authorized to deduct such fee from the undersigned's Deposit Account No. 20-1430. Please deduct any additional fees from, or credit any overpayment to, the above-noted Deposit Account.

Respectfully submitted,
